

LAHS GREEN TEAM

LOS ALTOS, CALIFORNIA

We aim to foster a culture of sustainability at LAHS and in the wider community through both campus and region-wide events.

Accomplishments in Numbers

- 80% reduction in on-campus vehicle idling
- 4,000 lbs of e-waste diverted from landfill
- 28 organizations attended our Jan 2020 SFGHS conference!

Learn more about our history [here](#).

Recent & Current Projects

- National Drive Electric Week
- Reach Codes
- Superfund Media Campaign
- Food Waste
- Fire Safety

What we're excited about

- Our [blog](#)! Look out for new blog posts this year
- Students for Green High Schools (this conference!)
- Everything from animal rights to vegetarianism... learn more about our interests [here](#)
