

ENVIRO. OUTREACH

LOS GATOS, CALIFORNIA

The Environmental Outreach Club is from Los Gatos High School.

Check out our [Instagram!](#)

Accomplishments

- Set up a composting program at our school, which will become effective once we're back on campus.

Recent & Current Projects

- We are currently working with the town of Los Gatos to write a new Climate Action Plan.

What we're excited about

- Creating new outside connections and seeing change happen in our community and those around us!

Community Involvement

- Climate Reality Leadership Training
