

CYAP

NATIONWIDE, HQ IN SUNNYVALE, CA

The Climate Youth Ambassador Program aims to raise awareness about the significance of climate change and equip individuals with knowledge and resources to lead more sustainable lifestyles.

Accomplishments

- CYAP now consists of **40** passionate high school and college environmentalists nationwide
- Conducted **25+** events with an total reach of **3200+** individuals
- Awarded **thousands** of dollars in environmentally-friendly prizes to youth nationwide

Our Work

- CYAP conducts engaging, interactive **climate education outreach** for populations of all ages, but focuses particularly on elementary/middle school students
- We conduct **assemblies** at schools and presentations at libraries that cover the fundamentals of climate science and global warming (Pivoted to an online format in light of the COVID-19 pandemic)
- We set up booths and tables at **community events** (when they existed) to engage passersby in critical thought about the environment and sustainability

Recent & Current Projects

- **Sustainability Trivia Series:** virtual trivia competition conducted through Kahoot. 3 weeks of trivia tournaments, with each week focusing on a different theme within the realm of sustainability (renewable energy, sustainable living, etc.)
- **In progress:** outreach programs with elementary/middle schools and libraries nationwide Presentations, assemblies, etc.
