

LA CLIMATE ACTION TEAM

LOS ALTOS, CALIFORNIA

Instagram: [@la.climate.action](https://www.instagram.com/la.climate.action)

Our Mission: Empowers teens and young adults to combat climate change with impactful education and policy initiatives in Los Altos.

Accomplishments

- Helped educate people about voting.
- Passed the reach code efforts.
- Spoke at Sustainability Commission meetings advocating for aggressive GHG reduction goals and language on the CAP 2.0.
- Continuing research to develop a CAP.
- Arranged for a monthly volunteer-led clean-up/maintenance day of the Centennial Recreation Center with the City.
- Started effort to pass various reach codes in Santa Clara.
- Presented public comment at San Jose city council meeting on December 15 in support of the Updated Natural Gas Prohibition Ordinance. Ordinance passed with two exemptions.

Recent & Current Projects

- Working with the environmental commission and the consultant to create a strong CAP

What We Are Excited About

- Working to implement that CAP with the consultant and city
