

SILICON VALLEY SUNRISE

SILICON VALLEY, CALIFORNIA

Our mission is to mobilize youth in Silicon Valley as part of a growing national movement to demand sweeping, decisive climate action from local, state, national, and ultimately, world leaders to ensure a livable future through legislative change at all levels. Whether it be through striking, writing op-eds, or building a coalition with other organizations, we are fighting for our planet every way we can.

Recent Election Accomplishments

- Sunrise Silicon Valley reached out to **36,000** voters this election cycle!
- Thanks to our help:
 - Alex Lee (CA Assembly D25) — **WON!**
 - Dave Cortese (CA Senate D15) — **WON!**
 - Alysa Cisneros (Sunnyvale-02) — **WON!**
 - Measure RR (funding for Caltrain) — **PASSED!**
 - Measure T (protection for Santa Clara Valley Open Spaces) — **PASSED!**
- Nationwide, the Sunrise Movement reached out to **8 million** voters in **2020** alone and helped elect progressive climate champions like Jamaal Bowman, Cori Bush, Jon Ossoff and Raphael Warnock!
