

CSYC, ENV. COMMITTEE

SANTA CLARA, CALIFORNIA

The Environmentalism Committee of the City of Santa Clara Youth Commission aims to engage youth to increase climate awareness, sustainability, and promote active involvement in environmental efforts. Follow the Santa Clara Youth Commission on Instagram and Facebook at @santaclarayouthcommission!

Accomplishments

In 2019, the Environmentalism Committee of the City of Santa Clara held a family 5K for the Santa Clara community with the goal of raising environmental awareness. We hosted numerous youth environmental groups at the 5K, including the Harker Green Team, the Youth Climate

Recent & Current Projects

- We are currently organizing a conference on the intersection of STEM and environmentalism for April!

Community Involvement

The City of Santa Clara Youth Commission regularly engages with the Santa Clara community through volunteer work in partnership with the City of Santa Clara Libraries, Teen Center, and community events such as the Art and Wine Festival. Click [here](#) more information about the Youth Commission.
